

Give a Little, Help a Lot: Please Consider Giving \$1 a Month to Project Help

Project Help needs your help all year to provide emergency assistance with energy bills. It relies solely on donations and fundraisers—so your help is vital!

Most Project Help clients are elderly, have disabilities, or have an emergency need due to job loss, illness, or injury. Your donation will help them stay safe.

Please do what you can. Even a small donation or a pledge of \$1 a month makes a big difference.

Donating is easy—and tax deductible!*

- Use the form on the back (or on the back of your KUB bill) to make a one-time donation or to add a monthly pledge to your KUB bill.
- Go to www.kub.org to give online.

Recycle for Project Help at these locations:

- 7686 S. Northshore Dr. (Rocky Hill Pilot)
- 5800 Western Avenue (Cumberland Pilot)
- 421 N. Cedar Bluff Road (Cedar Bluff Pilot)

**Project Help is a 501(c)(3) organization, administered by a volunteer board in partnership with KUB and the Knoxville–Knox County Community Action Committee (CAC). One hundred percent of donations provide help to those in need, and all gifts are acknowledged with an annual tax receipt letter.*

Yes! I want to help.

Return this form with your payment or mail it to the address below. You can add your contribution to your utility payment or write a separate check to Project Help.
