Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

(North Knoxville) N. Broadway Lane Closure [September 29-30] – KUB crews will close a short section of the curbside, southbound lane of North Broadway between Buchanan Avenue and Old Broadway from 11 p.m. tonight, Thursday, September 29, through 7 a.m. Friday, September 30, as work is performed on the electric distribution system in the area. One southbound lane and both northbound lanes will remain open during this time. Access to business in the area will be maintained. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 445,000 customers.
