Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

(North Knoxville) Maple Drive Road Closure [October 11-14] – KUB contract crews will close a short section of Maple Drive, between Montrose Road and the road's western end, daily from 7 a.m. – 5 p.m., Tuesday, October 11, through Friday, October 14, as work is performed on the wastewater collection system in the area. All lanes will reopen to traffic outside of listed work hours. Alternate routes include Maple Drive, Horton Road, Highland Drive, and Jenkins Road. Local traffic access to driveways will be maintained, and flaggers will be on site to assist with traffic control.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 445,000 customers.
